

2020 PATCH NOTES

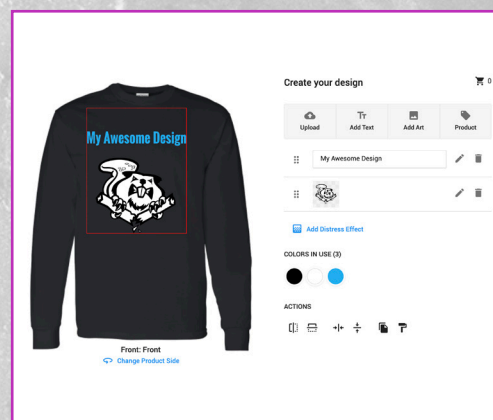

DASHBOARD 3.1

DASHBOARD • The dashboard has received many new updates throughout 2019. In 2020 we will be launching automated invoicing and calendar view.

PHOTOS • Photos have been a big asset in ensuring repeat order consistency, and post production reference. Photo quality will be increased in the first quarter.

BUILDER • We have added an art tool to our site where customers without art can create ideas for their customers without accumulating art charges. The artwork will be usable by our art department. Full design services by T Productions will still exist.

PRICING • A 10% late fee will be applied to invoices exceeding our 14 day grace period. Pricing will not change this year, however, the form has been slightly updated. (See page 2)
